Agency Referral

For Referring Agent:

The above applicant is requesting a scholarship to attend a session of VINS Afterschool. The purpose of the VINS Scholarship Fund is to provide all interested youth an opportunity to participate in our programs, regardless of their family’s financial circumstances. During the scholarship application process, VINS does not ask families to disclose financial information. Instead, families must submit a referral from a third-party attesting to their need for assistance in paying for a week of camp. Your role as a Referring Agent is to serve as that third-party.

By referring this child to receive support from the VINS Scholarship Fund you are affirming that, to the best of your knowledge, this family would benefit from financial assistance to send their child to a session of VINS Afterschool.
