The Hartland Activity Guide (HAG) is a non-profit, bi-annual resource for the community of Hartland. This guide is brought to you by a collaborative effort among the Hartland Recreation Department, the Town of Hartland, Hartland Community Connections, the Hartland Public Library and the Hartland Elementary School.

We hope you enjoy this guide and use it as a resource for yourself and your family. All Hartland registered voters receive a copy at their mailing address. Copies will be available at Mike's Store, BG's Market, Damon Hall and the Hartland Recreation Center. Copies are also distributed to one child of each family at the Hartland Elementary School.

We wish to thank all our community non-profit groups who have supported this project. All non-profit groups that provide service to the town of Hartland are encouraged to submit their entries. Without your submissions and support this resource guide would not be possible.

*There is no cost to submit entries, but if your organization, club or association wishes, donated monies can be mailed directly to:
Hartland Recreation, HAG, PO Box 349, Hartland, VT 05048*

Submissions for our 14th, Fall/Winter edition (to be mailed out in September); are due by August 19th

*Please send submissions electronically to:
hartlandrecreation@gmail.com, subject line: Hartland Activity Guide (HAG)*

The Hartland Public Library is a focal point of the community, dedicated to continuing education and the right to free access to information. The purpose of the library is to provide materials and resources for the education and information needs of all people of this community.

Friends of the Hartland Public Library

Membership in this not for profit organization is open to all. The members support the library in a number of ways.

Books are already arriving for next year's book sale. Volunteers are needed to help sort books throughout the year

The annual fundraiser, a book sale and silent auction at Hartland's 4th of July "Old Home Day", continues to be popular and a successful fundraiser.

Please help us in supporting your excellent library by joining the friends today! You will also meet friendly people. Annual dues are \$15, \$5 for seniors.

Library Staff: Mary Danko, Director; Theresa Gregory, Assistant Director, Dennise Post, April Doherty, Amy McMullen and Carol Perry.

Board of Trustees: , Susan Greenberg, Chairperson; Nancy Brogden, Fred Lee, & Liz Ambros, Bonnie Sargent

Free Museum Passes and Wireless Internet Access

Our museum pass program has become very popular. We are continuing the passes for Billings Farm in Woodstock, VINS in Quechee, and the American Precision Museum in Windsor. While we no longer have the Eric Carle Museum of Picture Book Art in Amherst, MA, we now have passes for the Shelburne Museum in Shelburne, VT. All the above are free with a pass that you can check out at the library. More information and directions are available at the library, call 436-2473 for more details. The money for this program comes from the library's memorial funds.

An almost free pass to the ECHO Leahy Center for Lake Champlain in Burlington is at the library, too. The center will charge only \$2.00 per person for two adults and up to three children.

The Library still offers free wireless internet in addition to free internet on its wired computers. All you need is your laptop with a wireless card. You can also take advantage of our café, available whenever the library is open. If we are closed, you can log on from the porch, the deck or your car. Drop-in computer help is offered the last Friday of every month at 10am. If that time isn't convenient, give us a call and we'll set up an appointment with you.

Personal Library Cards.

We kindly request that you have your card available when checking out materials. Your library card will have your library number on it, which will give you access to many online services such as: downloadable audio books, online magazines, online databases and your library account. These are all linked through our website: www.HartlandLibraryVT.org. Please call if you have any questions.

BOOK DISCUSSION SERIES

A VERMONT HUMANITIES EVENT HOSTED BY THE HARTLAND PUBLIC LIBRARY

Meets one time per month on Wednesdays beginning at 6:30 PM
 Discussions led by Rachael Cohen, Vermont Humanities Scholar and Hartland Resident
 Please call 802-436-2473 for more information or directions

For people who love books and love to either talk about them or only listen to what others have to say.
 Copies of the books are available to loan at the library.

ORCHESTRATED STORIES: NOVELS ABOUT COMPOSERS

"Orchestrated Stories" offers fictional interpretations of four eminent composers: Mozart, Schumann, Vivaldi, and Joplin. What does it mean to translate these historical figures and their canonical compositions to novel form? Can fiction be as useful a tool for interpreting real people as biography?

Wednesday, March 16	<i>Clara: A Novel (about Schumann)</i>	By Janice Galloway
Wednesday, April 20	<i>Joplin's Ghost (about Scott Joplin)</i>	By Tananarive Due

Mission Statement

The mission of the Hartland School District is to create a learning community that ensures all learners actively engage in the pursuit of academic excellence, value life long learning and participate meaningfully in a global society.

Vision

The Hartland School District and the Hartland Community share the responsibility for the education and well being of all students.

- All members of the Hartland Community are welcome and encouraged to be both informed and involved in the education of our children.
- All Hartland School Staff have the experience, expertise and commitment necessary to achieve the goals of the mission statement.
- The administrators, board of directors and community will collaborate to provide the resources, tools and supports necessary to enable the school staff to fulfill this mission.
- The Hartland Elementary School will be a Community School that is a facility that meets the needs of a broad range of community members, providing a rich and diverse array of learning opportunities for children and adults.
- All members of the community will work collaboratively to make sure that our children are nurtured and challenged.

Middle School Sports

The goals of the athletic programs at Hartland Elementary School are to teach good sportsmanship and to develop physical skills. Competitive sports at H.E.S. encourage the acquisition of experience rather than competition. Therefore, the primary criterion for team membership is athlete enthusiasm and willingness to work on a team, not preexisting skill. Athletes are selected and allowed to play on teams on the basis of their attendance at practice and appropriate behavior and their evident willingness to learn.

Athletic offerings

Fall
7th/8th Girls Soccer
7th/8th Boys Soccer
5th-8th Coed X-Country

Winter
7th/8th Girls Basketball
7th/8th Boys Basketball

Spring
7th/8th Girls Softball
7th/8th Boys Baseball
5th-8th Track & Field

All athletes must have a physical every two years to participate in sports.

What is PTSF?

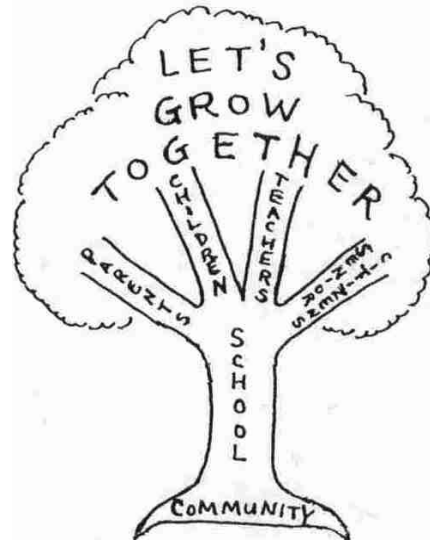

Parents Teachers Students & Friends of Hartland Elementary School

We are: **Parents, Teachers, Students, and Friends, of Hartland Elementary School** - formerly Hartland's PTA (Parent Teacher Association). The current officers are: President: Beth Rice, Treasurer: Kit Burnham and Secretary: Amy Raymond

Our mission is.....

To promote and enhance, through financial and/or voluntary support, the school's efforts to create a safe, active learning environment; to encourage parent and public involvement in our school's endeavors to achieve academic excellence, tolerance and a sense of community, and prepare our children for the future.

The PTSF Committee meets the first Wednesday of each month from 5:30 to 6:30 in the school library. All are welcome. We look forward to seeing you, even if you can only make one or two meetings. Children are welcome at our meetings. We show a movie or they can read quietly.

1. Clip Box Tops for Education from General Mills and many more products. Save them and send them into your child's class/advisory in January when we have our annual contest. We receive 10 cents for each Box Top. Check out www.boxtops4education for details and a list of products. Collect them year round.
 2. Drink HOOD milk, save the HOOD caps and send them before the end of October. We receive 5 cents for each cap. We could also win a visit from the Boston Red Sox next Spring. Bring them to school before the end of October 2010. Collect them year round
 3. Save Campbell's Labels for Education. Cut the UPC codes off Campbell products and send them in to school. We get points for each one that we can use to order merchandise from their catalog. Check out www.labelsforeducation.com for program details and product lists. Collect them year round.
 4. Wide mouth yogurt containers – they aren't accepted for recycling, but there is a program that accepts them for a few cents apiece and turns them into seedling pots. We want your wide mouth yogurt containers. Money from this goes directly to the K-4 student council.
- There is a collection box across from the Main Office for all these items.
5. Use Good Search as your internet search engine. We receive 1 cent for each eligible search.
 6. Register your Price Chopper Advantage card at www.pricechopper.com to earn points for our school. Our school code is 13957. We have won a computer, digital camera, DVD player and digital camcorder through this program and purchased a die cut machine and accessories with the points we earned. The more shoppers we have signed up, the better our chances of winning. Family and friends can sign up for our school too. This program runs from August 1, 2010 through February 12, 2011. Register your card today!
- These are easy things that you can do to help our school. As you can see, most of them require little or no time commitment. We encourage you to be active in your child's education and in the HES community.

THE COMMITTEE on AGING in HARTLAND

PO Box 349, Hartland, VT 05048

aginginhartland@gmail.com

Mission: To Support Healthy Aging in Hartland

The Committee on Aging in Hartland grew out of a Hartland Community Connections Saturday breakfast meeting at Damon Hall on June 5, 2010. We are Hartland residents who love this town and want to live here through the years ahead. We know that our aging will bring significant challenges. Our goals at this point are:

- * To identify and build awareness of existing resources for seniors
- * To develop new resources to support successful aging here

Since the June 2010 meeting the committee has:

- Created the following subgroups: Public Awareness/Outreach; Senior Housing; Funding; Health Care; Program; Transportation; and Volunteers
 - Held monthly meetings at which we discussed ideas and progress in each of the subgroups' areas and considered ways to involve others
 - Arranged to use Damon Hall for office space, a speaker series, and social activities
- Applied for and received a grant from the Council on Aging for Southeastern Vermont to fund a mailing to everyone over 60 years old in Hartland. Planned the content of a survey and a resource list for the mailing

A kickoff event for an ongoing speaker series sponsored by the Committee on Aging will feature Dr. Beech Conger. The title of his talk is "My Two Secrets to a Long and Healthy Life."

Date: Tuesday, April 5, 2011

Time: 1:30 p.m.

Place: Damon Hall

We intend to supplement, not duplicate, the many activities and services for seniors in Hartland today. As we do this, we will collaborate with the town offices, church volunteers, Volunteers in Action, the Recreation Center, the Council on Aging, Meals on Wheels, and the library.

New Activity: The Committee hosts a weekly **Line Dancing and Social Time** in Damon Hall, Thursdays from 2 to 4 p.m. There is a small fee to cover instructor cost.

For more information or to volunteer, email us at aginginhartland@gmail.com

Hartland Cooperative Nursery School

Serving Windsor and Sullivan County Families Since 1975

PROGRAMS FOR 3 AND 4 YEAR OLDS

The Hartland Cooperative Nursery School (HCNS), located in the Hartland Recreation Center, provides a nurturing and developmentally focused early childhood education program that fosters a love for learning while children discover the world around them. The early childhood curriculum encourages the development of social and emotional skills, large and fine motor skills, cognitive skills and language arts.

Our two outstanding teachers, Carol Withington and Harriet Dumas, have been teaching at HCNS for 29 and 20 years respectively. One teacher, one teacher's aide and one parent per classroom. One of the best, if not the best, student/teacher ratios in the Upper Valley.

Carpooling to Hartland 4 Corners Daycare and financial aid is available.

Please join us and find out why our school and teachers are loved by so many families.
Call the school at 802-436-2580 for further information.

Hartland Community Arts

P.O. Box 4, Hartland, VT 05048

Hartland Community Arts (HCA) is a nonprofit that has been working for almost twenty years to bring exciting art and cultural presentations to our community and to develop original shows featuring our many talented friends and neighbors. In the past year, for example, we have hosted local classical groups, including Classicopia and the Upper Valley Music Center, as well as international musicians, such as Septeto Tipico Tivoli from Cuba. We also hosted a local filmmaker who produced a moving documentary about children orphaned by the AIDS epidemic in Tanzania and New York, "Grandmother to Grandmother". We have been equally proud to develop local talent, through our sponsorship of the "Emerging Artists Showcase" and to present original theater and musical works, such as the musical parody "Vermont Idol" and the one-man show "I Can Almost Taste It!" And, of course, we continue to offer our annual Christmas concert as a gift to the community featuring the many wonderful adult and children choristers in our area. We are working to increase our offerings to include more visual art, dance, poetry and jazz in the future.

HCA also works to provide arts activities, support and scholarships through the elementary school and high schools in the area. We are always looking for projects to sponsor, for volunteers to lend a hand and for community members with artistic talent or just a talent for having fun to join in our shows. We are now developing our upcoming season and we invite you to visit our web site at www.hartlandarts.com for more information. While you are there, we encourage you to sign up for our mailing list which will notify you directly of all HCA events as they

Hartland Community Gardens

At the Library and Harmony Farm

Organization History:

Two community gardens were established in Hartland last year and enjoyed wonderful and successful starts. This year, the community garden plots are once again available at the two locations. One garden is located at Harmony Farm on Bowers Road, and the other is next to the Hartland Public Library in three corners. The fee is \$20 for a plot, whether you garden at Harmony Farm or the Library. Half of the fee (\$10) will be refunded when the plots are cleaned up at the end of the season.

Organization Goals/Mission:

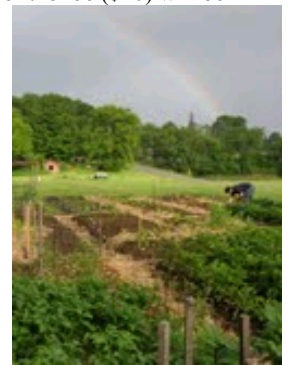

To provide Hartland residents with the space and tools to grow their own food and to encourage the cultivation of meaningful interaction within the community.

While the gardens at Harmony farm and the Library are separate organizations, both community gardens communicate often and work together closely

Other:

For information about the **Library Garden**, contact Brianne Goodspeed (briannegoodspeed@gmail.com/978-821-4679) or visit the garden website At www.hartlandgarden.org

Portsmouth, N.H. Bus Tour

Thursday, June 23 we will be visiting Portsmouth, N.H. This is where our Charter was issued by Governor Benning Wentworth. We will start the day with a visit to his 40 room mansion. After a picnic lunch on the grounds we will go to a choice of his much smaller first home or the more elaborate Moffatt-Ladd House with gardens. There will be free time to explore Seres St. before embarking on an hour and a half harbor cruise with an emphasis on Portsmouth as it was when we were just a lot of land named Hertford, N.H. The day will end with dinner at Newicks. The cost for the day is \$65 per person, payable with your application. This price does not include your brown bag lunch or your dinner at Newicks. It does include 2 bottles of water per person and all entrance fees and tips. I will start general advertising the first of March so reserve early. Mail the form below to: Hartland Historical Society, P.O. Box 297, Hartland, Vt. 05048. Hope you will be able to come!

Name.....Email.....

Address.....Phone.....

Pick one: Warner House 1716 (original Governors House), or Moffatt-Ladd House and Gardens 1763.

Warner..... Moffatt-Ladd.....

There will be no refunds after June 1 unless we can fill your seat. More details as to time, place to meet bus, etc. will be sent at a later date, but the time will be approximately 8am to 8pm.

The Moonlighters

"The Moonlighters" Big Band, based here in Hartland, is proud to still be playing music together after nearly 20 years! That's a record, for sure, let-alone for a band of 15-16 musicians!

The summer concert season isn't finalized at the time of this newsletter's publishing, however, "The Moonlighters" will return again to entertain the wonderful July 4 crowd at Hartland's Old Home Day this year! Old Home Day is a fun day and evening for all ages, with lots of activities, beginning with music at the "Rec." around 9:00, prior to the 11:00 AM parade on Rte. 12. The Recreation Center Grounds close- down for awhile during the hot afternoon, then, more music and food and fun happens around 5:00 until after the fantastic fireworks at dusk, rain or shine!

"The Moonlighters" Big Band has been invited back to Fair Haven Park off Rte. 4 in Fair Haven, VT on August 18, from 7:00-9:00 PM. The rainsite is the Baptist Church across from the park. This is a free concert for all ages.

For more information on The Moonlighters Big Band, please check the website:

The Hartland Boy Scout Troop offers the young men in this community a program rich in outdoor experience, leadership, life skills, and lots of fun. We function as an active Troop in the Green Mountain Council, Calvin Coolidge District, Boy Scouts of America. Our sponsor is the Hartland Volunteer Fire Department.

We currently have 28 registered youth members, and an experienced and dedicated staff of adult leaders.

We proudly turn out a few Eagle Scouts every year.

Our unit is what the B.S.A. calls a Boy Run Troop; meaning that the youth of our Troop set the yearly agenda, with a different feature/outing each month. The boys then decide which activities to attend, or they dream up their own. The adult leadership enables and supports them in their efforts.

Here's what we have been doing lately:

We built tip-ups and used them on our very successful ice fishing outing to Kennedy Pond. We participated in a District Klondike Derby -pulling the Klondike sled to different stations along a beautiful wooded course and competed in fire building, first aid, knots, building emergency shelters and orienteering. Troop 235 had a strong showing and placed 2nd and 3rd overall.

We did a lot to help our local community: built a shed at a local church, parked cars at Old Home Day, painted some old playground equipment, helped pick up trash, and built a raised flower bed.

Coming up this Spring and Summer:

The Scouts of our Troop are busy planning the activities they are interested in for the coming seasons. Hurry up and join the planning. We'll be doing some camping, backpacking, hiking and our high adventure trip is booked near the NH Seacoast. Our Troop was also selected to attend a phenomenal camporee at the United States Military Academy in Westpoint, NY which is put on by the Westpoint Cadets.

All boys ages 11 and up are invited to join us.

Hartland Farm to School Program

The Hartland FTS Program connects local food and farms to our school classroom, cafeteria and community to foster healthy children, vital farms and lifelong learning.

The Hartland FTS steering committee is made of teachers, staff, parents, farmers and community members. Our five key action areas for the coming year are:

- Increase use of our school gardens and add a compost system;
- Use more local food in our school cafeteria, the *Sunflower Café*;
- Develop FTS curricular activities for each teaching team involving local farm visits and taste tests;
- Communicate our FTS program successes through the internet and school newsletter, and through communication with other schools in our supervisory union and in the Upper Valley FTS Network;
- Raise funds to sustain the FTS program through our salsa sale and Hartland Farm Fest.

Parent and community volunteers are welcome to assist with school gardens, taste tests of local food, farm visits and other activities.

Check out our latest activities at: www.HartlandFarm2School.org

Breakfast Connections

HCC will continue to host monthly breakfasts through the fall and winter. The series of breakfasts is designed to provide a forum for local Hartland residents to present to friends and neighbors, their important information pertaining to events and activities taking place in Hartland. Some of the topics have included: "The future of the Hartland Public Library," "Transition Town: Making the move away from a petroleum based culture," "Aging in Hartland," and "Making sense of the Youth Risk Behavior Survey."

The breakfasts are held at Damon Hall and are free (donations accepted). They begin at 9:00 on the first Saturday of the month except when conflicting with Holidays*.

Teen Club

Hartland youth in grades 6-9 are eligible to join the Hartland Young Teen Club. The club holds monthly events at the Hartland School or Rec. Center. 7th & 8th graders gather for dances held at the Rec Center. A typical dance features a professional DJ with an extensive library of contemporary hits as well as some classic teen favorites, a light show, and beverages. Sixth graders hold separate events, including "open gym," movie night at Damon Hall, Mud Season Bash at Rec Center. These events typically involve music, dancing, team-sports, pie-eating, chasing, karaoke, water-balloons, billiards, foosball, and of course pizza.

Schedule of events will be announced and posted at the Hartland School. All Teen Club members sign a contract agreeing to remain substance free as long as they are members of the club.

Ultimate Frisbee

Every Sunday late afternoon until the fields are blanketed with snow HCC hosts family-friendly drop-in Ultimate Frisbee. All levels of players are welcome. Games are played at the library field. "Whoever has the most fun wins"!

Make a Difference Day

November 2011

TBA

A day of community service: Volunteers gather at the Rec Center to launch a series of volunteer projects around our town. Activities include leaf raking, wood stacking, window cleaning, winter weatherization of windows and doors, garden clean-up, etc. Volunteers return to the Rec Center for a hot, hearty lunch.

Emerging Artist Showcase

January 2012, TBA

The third annual EAS will be held at Damon Hall. This night of special performances features some of the brightest young artists in the area. Previous artists have included poets, dancers, singer-songwriters, acrobats, painters, writers, sculptors, and chefs. Damon Hall is bursting at the seams with youthful talent and scrumptious culinary delights. You don't want to miss this free event (donations accepted).

Hartland Parent Network

This network is in the formative stage. The purpose is to forge a network of parents interested in forming a channel of communication with one another regarding activities and events taking place in the Upper-Valley. Many of these activities involve their teenagers. It can also be a forum to address concerns and share joys that come with parenting.

Hartland Community Connections (HCC) is a non profit grant-supported organization working to strengthen community in Hartland, Vermont, and the surrounding area.

Our priorities include:

Strengthening bonds between youth and adults.

Providing opportunities for meaningful involvement of youth in the community.

Developing community service program.
